Pastor’s Perspective

This is my prayer: that your love might become even more and more rich with knowledge and all kinds of insight. I pray this so that you will be able to decide what really matters and so you will be sincere and blameless on the day of Christ.

Philippians 1:9 CEB

Dear Siblings in Christ,
The above scripture was written by the Apostle Paul to the church folk at Philippi while he was imprisoned in Rome for preaching the Gospel. His desire was that the Philippians would continue to share their lives together in Jesus Christ and spread the Good News even as the world was changing all around them.
The Christian Season of Lent is almost here. Lent begins with Ash Wednesday (March 6th this year) and continues until Easter (April 21st this year). Because Lent is the season of preparation for the great celebration of the resurrection of the Lord, often it is a time of simplifying our life to make room for self-reflection and discernment about next steps toward living a life filled with hope and joy in Christ.

These are indeed changing times for Trinity United Methodist Church. We will be celebrating the completion of our $650,000 restoration and renovation project with a big spaghetti dinner on March 7th. Present will be representatives from Sacred Places, National Historic Trust and Idaho Heritage Trust, as well as local donors to celebrate with us that evening.

I invite you to pray about the fabulous ways that Trinity will be able to better welcome and serve our neighbors using the cool new facilities in our building to further the Kingdom of God. Listen to the big plans that God has in store for us!

The United Methodist Church is experiencing changing times as well. By the time you read this edition of the Trinity Times, the special called session of General Conference 2019 will be completed. I have no idea what the outcome will be, but I do know that the United Methodist Church will never be the same.

Trinity will continue to worship in this building as the Body of Christ, but what our relationship to the larger church will look like is yet to be seen. So I ask you to also pray for discernment as to how we here in the Western Jurisdiction of the United Methodist Church will use whatever changes happen at GC2019 to further the Kingdom of God. Listen to the big plans that God has in store for us!

I pray that the Holy Season of Lent will bring peace and joy to your soul.

Blessings,
Reverend Ruth

**Trinity Meals**

- **Scout Brunch** - On March 17th our scouts will be preparing a brunch after the service.
- **March’s pot luck** - Our regular pot luck (who doesn’t like a surprise?) will be on March 24th. Please come for the nutrition and the nurturing.
- **Soup Sundays** - In March we will have Soup Sunday after church on March 3rd, 10th, and 31st. Please call the office (208-522-7921) to sign up to bring a crock pot of soup, or surprise us and just bring one. Crackers and rolls are also welcome. This will be our hearty contribution to fighting off the chill of winter.

- **Restoration Bricks** - The paving stones have arrived and been delivered to the engravers. Pam has submitted the list of names and now we are waiting for the work to be done. We also have to wait for the ground to thaw so we can think about the design of our commemorative brick garden.

**Cub Scout Pack 6** - Sam Bays

"Give me a place to stand and with a lever I will move the whole world." Archimedes.

This month, several of the Dens are working on science and engineering principles; how a pulley or a lever-arm can transform a small effort to lift a large load. Scouting is the leverage by which small children “move the whole world.”

This month Pack 6 was recognized for its popcorn fundraising, held its Pinewood Derby, went to Winteree, and helped lead worship on Scout Sunday. Idaho Falls EMS sent an ambulance crew to the Pack Meeting to demonstrate triage.

My son’s a Webelos now. Thus, we have been spending much more time with Troop 6. Troop Scouting requires me to not intervene or run the meetings for the scouts, a bit of a challenge at first. However, in doing so I got to watch some excellent leadership: an older Scout trying to teach lashings to Cubs, kids working together to disassemble an old computer of mine, a surprise Valentines’ card from a scout, a thank you card from another unit, an invitation to attend the school play of another scout, my son and daughter helping lead worship.

I’m also very grateful to the adult leaders in Pack and Troop for helping in many ways, big and small. If you are interested in moving the world, call me: 208-520-8883.

Scouting Troop 6 News - Robin Stewart

Troop 6 had a great time at the 2019 Wintereree. They joined the Cubs of Pack 6 - AOL/Weebos den - to participate in the Saturday round robin, where they demonstrated (or at least learned) scout skills such as how to throw an axe, run a two-man log saw, and perform life saving first aid (once they found the hapless victim). They also completed the infamous Klondike sled build, where they have 45 minutes to construct a sled from 2x2's (more "Leave No Trace" than native lumber), being judged on teamwork/craftsmanship, and the final race, in which they had to haul a scouter who was not part of their troop, encouraging healthy adult association - one of the eight principles of scouting.

The troop just held elections where youth elect new leaders for the next 6 months. Elected were Senior Patrol Leader - Danny, Assistant Senior Patrol Leader - Caleb, and two patrol leaders, Austin and Jake. This weekend they will be headed to Island Park for snow caving and Introduction to Leadership Skills - Troop (ILST).

The upcoming campout is the March Warm River trip where the troop will be skiing into the Warm River Cabin for two nights.

The scouts have one more session in the current merit badge scramble, hopefully earning up to 4 much needed merit badges. The scramble includes 4-5 troops who supply the counselors and scouts. Troop 382 supplies the facilities, and this year is also the organizer.

February marks the first month that BSA transitions from Boy Scout Troops to Scouts BSA, which includes girl troops in addition to boy troops. Trinity has been registered in scouting for 99 years (actually a troop for a few years before they actually registered), and is looking forward to continuing that tradition with a linked girl troop. This troop will have its own youth leadership (SPL, ASPL, PL, etc.) as well as adult leadership. They will share a committee, which will make them "Linked" troops.

An organizational meeting for the new troop will be held February 27th at 7pm, just before Troop 6 Meeting. Please come if you're interested in assisting with this troop. It's going to be exciting. I've included a flyer for inclusion into the newsletter.

The troop (hopefully troops) are planning a 50-miler in the White Cloud Wilderness area, combining with Troop 387, and are looking forward to backpacking 40 miles, followed with an exciting trip down the upper Salmon River in canoes.

I also want to thank the congregation for the warm reception at the February Scout Sunday. We presented yet another charter for Troop 6 and Pack 6 to Rev. Ruth, provided acolytes and liturgists, and hosted the traditional Dutch Oven feed after the service. The youth (Boys from Troop 6, and Boys/Girls from Pack 6) had a good time, met several of the congregation and even raised ~$150 from donations taken at the lunch.

Trinity Restoration  - Nancy Stewart

Time to celebrate Trinity Restoration!

We are ready to show off the project on Sundays and March 7 at our celebration dinner. Funding has kept up with the unexpected work expenses. We want to thank everyone for their time and talent completing this project:

• New roof over Sanctuary and Parlor
• Repointing masonry
• Demolition
• New bathrooms (9 toilets, 4 urinals, 8 sinks and 2 showers)
• Warming kitchen enlarged by using the old office (2 dishwashers, 1 fridge with ice maker, oven, stove, hood, microwave, cabinets)
• Updated nursery
• New paint
• New Carpet tile main floor and downstairs
• Emergency exit in the Choir room
• Lighting and window upgrades throughout

We are an amazing congregation.

Thank you to:

• The National Fund for Sacred Places, a partnership of the National Trust for Historic Preservation and Partners for Sacred Places ($190,000 grant),
• Bill and Shirley Maeck Family Foundation,
• Leland Beckman Foundation,
• Demming’s Appliance,
• Museum of Idaho,
• Peter Isaksen estate

and our amazing congregation for your financial support.

Regional Council for Christian Ministry

FISH - As families are able to stabilize their housing and leave Promise Ridge, FISH is helping to put together an inventory list for ‘exit baskets’ with items that may be needed during the relocation; more information will be coming. Also, during the recent federal government shut-down, FISH supplied a variety of items for families who were impacted. It was reported that the state prison system will begin issuing new identity cards to those being released. Without an identity card, it is nearly impossible to apply for work, rent housing, etc., so in the past, FISH has often paid to have these cards issued, so this is a savings to the FISH program.

Community Food Basket/Soup Kitchen - Because of the federal government shut-down in January, food stamps were issues weeks earlier than usual; it is anticipated that some people may run into difficulties towards the end of February, so pallets of fresh and canned foods will be distributed to the Community Food Basket in mid-February. Idaho Falls and Skyline High Schools held their annual Souper Bowl fundraiser, raising funds for the Food Basket, and Apple Athletic is holding a variety of activities to gather food/money as well.

Melliecuca and the LDS church have worked together to provide 3 freezers and a fresh food cooler for the Food Basket. They will be used for storing the gleaned foods provided by Sam’s Club and others. 3,000 meals were served at the Soup Kitchen in January.

The Lenten Series is being offered again this year, with Friday services between March 15 and April 12. As in past years, a soup and bread lunch will be offered at 11:30 or 12:30, with a devotional service at noon. The service will be at Trinity on April 12. The offerings will be given to the summer children’s lunch program along the Greenbelt.

NO ADAH Meeting in March

Due to vacation schedules we will not have an ADAH meeting in March.

Trustees Corner  - Nancy Stewart

Our next meeting for Trustees is March 12 at 7 PM (not March 5 as that is Shrove Tuesday).

Don Rohde worked with Alan Clark and his plumbers February 6 to resolve a sudden radiator leak which started in room 108 and ran down into the basement choir room ceiling.

The elevator failed to work the week of February 4 & 19. Schindler elevator personnel responded and conducted an extensive investigation.

This month we are investigating a leak in the Education Wing.

Idaho Heritage Trust gave us a matching grant to fix three columns in the Mary Dawson Hall. The work is complete!

Thank you Alan Clark for your time and talent with this project.

Dinner and a Movie  - Don Rohde

Friday, March 1st will be our Dinner and a Movie featuring Amazing Grace.

Theme for dinner is English cooking. (We will have a taco & nacho bar)

In 1797, William Wilberforce, the great crusader for the British abolition of slavery, and John Newton, a slave ship captain turned repentant priest who penned the great hymn, “Amazing Grace,” Prime William Pitt, and Olaudah Equiano, the erudite former slave turned author, Wilberforce finds the inspiration in newfound love to rejuvenate the fight with new ideas that would lead to a great victory for social justice.
Youth Activities - Betty Anderson

Happenings
Kids have been helping in worship as readers and acolytes, and youth assist in the Sound Room.
The unit of study is Healing Families. Here they are learning about the miracles of healing that Jesus performed. The Bible verse is “God heals the brokenhearted and bandages their wounds” Psalm 147:3. The song is “God Heals Hearts.” The stories they are learning are:

2. Mark 5:21-24, 35-43 where Jesus healed a woman who touched him while he was walking in a crowd on the way to heal Jarius’s 12 year old daughter who was dying and
The kids did a skit during worship on Feb. 3 about miracle 1, and will do another skit about miracle 2, on Mar. 3, and the final skit about miracle 3, on Mar. 24. We are proud of these children and youth as they help everyone learn.

Confirmation Classes for Youth have been taking place each Sunday afternoon since Dec and we appreciate all the adult mentors and Rev. Ruth who are working with these youth. They have done some service activities and will be helping in worship too. Confirmation will take place on Easter Sunday, April 21, 2019.

Last Summer Vacation Bible School (VBS) had the theme “Christ’s Hands” All participants put their hand print on fabric. An altar cloth/wall hanging of the hand prints is being sewed with the hope of having it completed by mid-March. Watch for this lovely work of art for all to see and enjoy.

Bible Sunday – April 7. This is a special time for Students in Grade 3. They will receive a gift of a Bible from Trinity for their very own. We will celebrate with these students following worship.

Looking Ahead –
Shrove/Pancake Tuesday - March 5, 6:30 p.m. for all ages. Come join the fun and eat pancakes.

UMCOR SUNDAY (FORMERLY ONE GREAT HOUR OF SHARING)
Every United Methodist church in the US is asked to designate an UMCOR (United Methodist Committee on Relief) Sunday on which a special offering is taken to cover all UMCOR administrative expenses for the coming year. Our UMCOR Sunday is March 24th. Therefore, when you feel called to support a specific cause, 100% of your donation goes to the purpose you designate.
